Dear Balloholics:

Ever since we introduced the idea of having you pick the kits you would like to be sent on a monthly basis, we have been deluged with notes, thanking us for this convenience, since it eliminates having to write a check every month (or whatever), or another piece of correspondence to put the order on a VIsa or MasterCard.

SO, give it some thought, and IF you would like us to do this for you, we'd be delighted. Of course you can change your order(s) anytime you wish, to add, or subtract, or change your card #. Some people have already given us a running list into the **next three years!**

Cordially, Paul (in spirit) and Walter, Linda and Mike
